

## **NS-CU05a-Coast Pilot Text Correction Worksheet – Field Definitions.**

Prepare the [NS-CU05-Coast Pilot Text Correction Worksheet](#) on the computer for professional results. The observer should update this worksheet with their text corrections on the computer and attach a copy to a NS-CU03-Chart Updating Form. Also, indicate your evidence and justification for the correction on the Chart Updating Form. These are the explanations of the fields used to report Coast Pilot text corrections to NOAA.

### **Heading Data**
